

Global Industrial Company (NYSE: GIC), through its operating subsidiaries, is a value-added distributor of industrial and maintenance, repair, and operations (“MRO”) products in North America, going to market through a system of branded e-commerce websites and relationship marketers.

Started in 1949 as a small material handling company, they have grown to be an industry leader with over one million products in 21 industrial and commercial categories. They market their products primarily to private and public sector customers, which include for-profit businesses, state, local, and private educational institutions and government entities, including federal, state, and local municipalities.

Global Industrial has earned several awards from Comparably, a leading corporate awards platform for employers.

In 2021, Global Industrial established a cross-disciplinary ESG Task Force to lead their ESG efforts. The ESG Task Force gathers data about previous and ongoing ESG initiatives throughout various business units. Progress of the ESG Task Force is tracked on an ongoing basis and is subject to oversight by management, Global Industrial Nominating/Corporate Governance Committee, and their
