

REMARKABLE™

Transform Any Surface Into a Whiteboard

ReMARKable Coatings, headquartered in California, manufactures coatings that provide unique solutions to professionals for use in educational, commercial, industrial, and residential applications. It provides the highest-quality, easy-to-apply commercial grade whiteboard paint based on erasability and affordability, and the paint is non-HazMat so it can be shipped worldwide.

ReMARKable™ is the only LEED-compliant, non-epoxy, whiteboard paint manufactured in California that dries in 48 hours. Available in clear and white, it features single-coat applications that are very low-VOC and non-yellowing, plus there are no toxic smells.

ReMARKable™ is a proud Woman Owned Small Business with the experience and capability of a large corporate manufacturer and distributor. It provides knowledge and technical experience for even the most sophisticated and discerning customers, expanding collaboration spaces with limitless boundaries.
