

With more than 25 years serving the public sector, ODP Business solution, formerly Office Depot® Business Solutions Division, understands the unique needs of public agencies. They've listened to their customers and developed a robust program that provides your agency or school with extraordinary value. The partnership with America Saves leverages a competitively solicited and publicly awarded contract to provide exceptional savings to public sector agencies across the country.

Count on ODP Business Solutions™ to work with your public sector organization to help guide purchases that support compliance, improve efficiency, and optimize budgets.
